

RREC Advisory Board Meeting

The March 20th Advisory meeting was held at the Oak Meadow Country Club with the Rolla Chamber Of Commerce. The advisory business meeting was not held.

Dan Mehan, Pres/CEO of the Missouri Chamber of Commerce spoke on the Chamber's newly launched "2030 Plan." His presentation was followed by David Sylvester, District Engineer for MO DOT, who spoke on the legislation now being introduced, "2+2+2" funding, for support of the state's transportation infrastructure.
